

ACTIVATION RITUAL

(READ WARNING)

COMPLETE RITUAL TO ACTIVATE BEING MAGICAL, WITH ITS DUE WARNINGS... REMEMBER THAT YOU WILL NOT GIVE LIFE TO A PIECE OF PLASTIC IN THE SHAPE OF A DOLL, YOU WILL ONLY ACTIVATE THE ENERGY THAT SURROUNDS IT AND THAT ENERGY WILL BE WHAT YOU CALL, SO BE CAREFUL REMEMBER THAT THERE ARE DOORS THAT SHOULD NOT BE TOUCHED BECAUSE YOU DO NOT KNOW WHO WILL OPEN THEM... USE IT WISELY AND BE READY TO SEE STRANGE THINGS, **WE ARE NOT RESPONSIBLE FOR WHAT HAPPENS AFTER YOU HAVE ACTIVATED YOUR MAGICAL SELF, THE DECISION TO ACTIVATE IT IS YOURS AND YOUR RESPONSIBILITY.**

WARNING!!!

This ritual aims to "activate" and give life to your magical being, performing this ritual carries a great responsibility, since bringing a magical being to this plane and not attending to it with due responsibility and propriety can cause real headaches to those who activate it, since magical beings are innocent as children, But if this magical being is not cared for, watched and educated, it can also cause them to be cruel and rude like real children.

Remember this truth about magical beings and be careful not to have impure thoughts when you activate them, for an activated magical being, if it has to defend you, is capable of giving its life for you, but if it must go against your enemies or against yourself, it will not stop until it destroys you.

If you are not able to be pure in activating and caring for your magical self, do not activate it! and just enjoy it as a collectible doll.

An activated magical being is much more than a concept. It is a living entity, made up of its own thought-form substance, with an independent existence, as an extra pair of eyes and ears for you.

COMMANDMENTS FOR YOUR MAGICAL SELF:

- 1.- Love him as yourself.
2. Do not do evil through it to hope for good.
- 3.- Always listen to the voice of your conscience.
- 4.- Be the father of your magical being; every sigh that your hardness takes from them is so many curses that will fall on your head.
- 5.- If you have a magical being activated, alive, rejoice; but be aware of the deposit entrusted to you. Make him obey you, love you and even death respect you. Be his teacher, his father and even death his friend.

ELEMENTS TO USE:

1 stick of sandalwood or rose-scented incense

The magical jewel (Quartz only elves) that accompanies your elf, Trolls, gnomes, goblins, fairies and forest beings don't need it

Place the magical being in a quiet place where the moonbeams touch him, light the incense in front of him, extend his hands with open palms (see [image 1](#)) and say loudly, silently or with the mind repeat: **Mother earth I invoke you, may no evil in my living presence, nor ghost, apparition or spell remain in this place during this ritual, protect me. Listen to my command, Mother Earth, feared goddess of death and resurrection, of life and resurrection.**

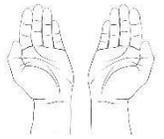

Image 1 Position of open palms.

Giver of life, our goddess, whose name is mystery of mystery, gives strength to my heart, allow the light to crystallize in this magical being, giving him the gift of life and resurrection, free this elemental being child of yours from all negative energy, allow the moonlight of this beautiful night to fill him with life, gifts and great power, I will welcome and protect him until he returns with you. So be it!

To all the elemental spirits gathered here, I thank you for your help and participation, go in peace to your native places of life and do no harm to anyone on the way.
